The accompanying notes form part of these financial statements

FOOTBALL FEDERATION VICTORIA

Notes to the Financial Statements For the year ended 31 October 2012

1 Statement of Significant Accounting Policies

(a) Corporate information

The financial report is for Football Federation Victoria Inc. (FFV) as an individual entity as an association incorporated in Victoria under the Associations Incorporations Act 1981.

The financial report of Football Federation Victoria Inc. was authorised for issue by the Board on 30 January 2013.

(b) Basis of Preparation

The financial report is a general purpose financial report that has been prepared in accordance with Australian Accounting Standards - Reduced Disclosure Requirements (including Australian Accounting Interpretations), other authoritative pronouncements of the Australian Accounting Standards Board and the requirements of the Associations Incorporations Act 1981.

(c) Adoption of new and revised Accounting Standards

Changes in accounting policy and disclosures

The accounting policies adopted are consistent with those of the previous financial year.

Accounting Standards or Interpretations issued but not yet effective

At the date of authorisation of the financial report there were no Standards or Interpretations that were on issue but not yet effective that would affect any of the amounts recognised in the financial report.

(d) Income Tax

Football Federation Victoria is exempt from income tax in accordance with the provisions of the Income Tax Assessment Act. Football Federation Victoria is a not-for-profit entity which is established for developing and promoting football within Victoria.

(e) Property, Plant and Equipment

Each class of property, plant and equipment is carried at cost, less any accumulated depreciation and impairment losses.

Cost includes expenditures that are directly attributable to the acquisition of the asset.

Depreciation

The depreciable amount of all fixed assets including capitalised leased assets, but excluding freehold land, is depreciated on a straight-line basis over their useful lives to the Association commencing from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

FOOTBALL FEDERATION VICTORIA

Notes to the Financial Statements For the year ended 31 October 2012

1 Statement of Significant Accounting Policies (cont)

(e) Property, Plant and Equipment

The depreciation rates used for each class of depreciable assets are:

Class of Asset	Depreciation Rates	Depreciation Basis
Buildings	5	Straight Line
Leasehold improvements	10 - 33	Straight Line
Leased motor vehicles	22.5	Straight Line
Leased office equipment	33	Straight Line
Motor vehicles	20	Straight Line
Office equipment and software	17 - 40	Straight Line
Furniture, fixture and fittings	10 - 33	Straight Line

The assets' carrying value and useful lives are reviewed, and adjusted if appropriate, at each balance sheet date.

(f) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within short-term borrowings in current liabilities on the balance sheet.

(g) Impairment of Assets

At each reporting date, Football Federation Victoria reviews the carrying values of its tangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the assets' carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the income statement.

(h) Trade and Other Receivables

Trade receivables, are recognised and carried at original invoice amount less an allowance for any uncollectible amounts. An estimate for doubtful debts is made when collection of the full amount is no longer probable. Bad debts are written off when identified.

(i) Inventories

Inventories are measured at the lower of cost and net realisable value. Net realisable value is the estimated selling price in the ordinary course of business less the estimated selling expenses.

FOOTBALL FEDERATION VICTORIA

Notes to the Financial Statements For the year ended 31 October 2012

1 Statement of Significant Accounting Policies (cont)

(j) Trade and Other Payables

Trade payables and other payables are carried at amortised cost and represent liabilities for goods and services provided to Football Federation Victoria prior to the end of the financial year that are unpaid and arise when Football Federation Victoria becomes obliged to make future payments in respect of the purchase of these goods and services.

(k) Employee Benefits

Wages, Salaries and Annual Leave

Liabilities for wages, salaries and annual leave that are expected to be settled within 12 months of the reporting date represent present obligations resulting from employees' services provided to reporting date. They are calculated at undiscounted amounts based on remuneration wage and salary rates that Football Federation Victoria expects to pay as at reporting date including related on-costs, such as workers compensation insurance, superannuation and payroll tax.

Long-term service benefits

The FFV's net obligation in respect of long-term service benefits, is the amount of future benefit that employees have earned in return for their service in current and prior periods. The obligation is calculated using expected future increases in wage and salary rates including related on-costs and expected settlement dates, and is discounted using the rates attached to the Commonwealth Governments bonds at the balance sheet date which have maturity dates approximating the to terms of Football Federation Victoria's obligations.

Superannuation

The amount charged to the Statement of Comprehensive Income in respect of superannuation represents the contributions made by Football Federation Victoria to superannuation funds during the period.

(l) Revenue

Revenue is recognised to the extent that it is probable that the economic benefits will flow to Football Federation Victoria and the revenue can be reliably measured.

Rendering of services

Revenue from the rendering of a service is recognised upon the delivery of the service to the customers. When the period of service delivery extends beyond year end, a share of the revenue is recognised as income in advance.

FOOTBALL FEDERATION VICTORIA

Notes to the Financial Statements

For the year ended 31 October 2012

1 Statement of Significant Accounting Policies (cont)

(l) Revenue

Interest Income

Interest revenue is recognised on a proportional basis taking into account the interest rates applicable to the financial assets.

Other revenue is recognised when the right to receive the revenue has been established.

All revenue is stated net of the amount of goods and services tax (GST).

(m) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the balance sheet are shown inclusive of GST.

Cash flows are presented in the cash flow statement on a gross basis, except for the GST component of investing and financing activities, which are disclosed as operating cash flows.

(n) Leases

Leases of fixed assets, where substantially all the risks and benefits incidental to the ownership of the assets, but not the legal ownership, are transferred to the Federation are classified as finance leases.

Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the periods in which they are incurred. Lease incentives made under operating leases are recognised as a liability and amortised on a straight-line basis over the life of the lease term.

(o) Investment Property

Property

In 2010 the trustees of the Trust Deed dated 24 February 1997 (the "Building Trust") vested the ownership of the investment property at 236 Dorcas St, South Melbourne, to Football Federation Victoria.

Investment properties are measured initially at cost, including transaction costs.

FOOTBALL FEDERATION VICTORIA

Notes to the Financial Statements For the year ended 31 October 2012

1 Statement of Significant Accounting Policies (cont)

(o) Investment Property

Subsequent to initial recognition, investment properties are carried at fair value, determined annually by independent valuers. Changes to fair value are recorded in the Statement of Comprehensive Income.

The fair value of the investment property represents the amount at which the assets could be exchanged between a knowledgeable willing buyer and a knowledgeable willing seller in an arm's length transaction.

(p) Financial Instruments

Financial Assets

Financial assets are divided into the following categories which are described in detail below:

- loans and receivables;
- financial assets at fair value through profit or loss;
- available-for-sale financial assets; and
- held-to-maturity investments.

The FFV has determined that it does not hold any assets in the above categories except for loans and receivables which are defined below.

Financial assets are assigned to the different categories on initial recognition, depending on the characteristics of the instrument and its purpose. A financial instrument's category is relevant to the way it is measured and whether any resulting income and expenses are recognised in profit or loss or directly in equity.

An assessment of whether a financial asset is impaired is made at least at each reporting date.

All income and expenses relating to financial assets are recognised in the Statement of Comprehensive Income as a line item "finance income" or "finance costs", respectively.

Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. They arise principally through the provision of goods and services to customers but also incorporate other types of contractual monetary assets.

After initial recognition these are measured at amortised cost using the effective interest method, less provision for impairment. Any change in their value is recognised in profit or loss.

Football Federation Victoria's trade and other receivables fall into this category of financial instruments.

FOOTBALL FEDERATION VICTORIA

Notes to the Financial Statements For the year ended 31 October 2012

1 Statement of Significant Accounting Policies (cont)

(q) Interest-bearing Loans and Borrowings

All loans and borrowings are initially recognised at the fair value of the consideration received less directly attributable transaction costs.

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the effective interest method. Fees paid on the establishment of loan facilities that are yield related are included as part of the carrying amount of the loans and borrowings.

Borrowings are classified as current liabilities unless Football Federation Victoria has an unconditional right to defer settlement of the liability for at least 12 months after the balance sheet date.

Borrowing costs

Borrowing costs are recognised as an expense when incurred.

Gains and losses are recognised in profit or loss when the liabilities are derecognised.

(r) Income in Advance

Income is brought to account in the period in which it relates. Income received prior to 31 October 2012 which relates to future periods, has been recorded as income in advance.

(s) Comparative Figures

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

Other receivables		<u>104,035</u>	<u>225,084</u>
		<u>325,874</u>	<u>1,046,623</u>

The carrying value of trade receivables is considered a reasonable approximation of fair value due to the short-term nature of the balances.

Allowance for Provision for doubtful debts

We have used the following basis to assess the doubtful debt required for trade receivables:

- an individual account by account assessment based on past credit history; and
- any prior knowledge of debtor insolvency or other credit risk and
- working with stakeholders on a monthly basis to assess past due to determine recoverability

FOOTBALL FEDERATION VICTORIA

Statement by the Board of Directors

In the opinion of the Board of Football Federation Victoria the financial report as set out on pages 2 to 20:

1. Presents a true and fair view of the financial position of Football Federation Victoria as at 31 October 2012 and its performance for the year ended on that date in accordance with the Australian Accounting Standards Reduced Disclosure Regime (including the Australian Accounting Interpretations) and the requirements of the Associations Incorporations Act 1981.

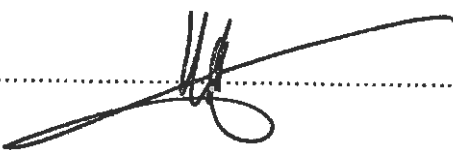

2. At the date of this statement, there are reasonable grounds to believe that Football Federation Victoria will be able to pay its debts as and when they become due and payable.

This statement is made in accordance with a resolution of the Board and is signed for and on behalf of the Board by:

Independent Auditor's Report To the Members of Football Federation Victoria

We have audited the accompanying financial report of Football Federation Victoria (the "Association"), which comprises the statement of financial position as at 31 October 2012, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information to the financial report and the statement by the Directors.

Responsibility of the Directors for the financial report

The Directors of the Association are responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards - Reduced Disclosure Requirements and Associations Incorporation Act 1981(VIC). This responsibility includes such internal controls as the Directors determine are necessary to enable the preparation of the financial report to be free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards which require us to comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error.

In making those risk assessments, the auditor considers internal control relevant to the Association's preparation and fair presentation of the financial report in order to design

audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Directors, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we have complied with the applicable independence requirements of the Accounting Professional and Ethical Standards Board.

Auditor's Opinion

In our opinion, the financial report of Football Federation Victoria:

- a. presents fairly, in all material respects, the Association's financial position as at 31 October 2012 and of its performance and cash flows for the year then ended; and
- b. complies with Australian Accounting Standards - Reduced Disclosure Requirements and the Associations Incorporation Act 1981 (VIC).
