

TO: ALL CLUBS

FROM: FV COMPETITIONS

DATE: 06 SEPTEMBER 2019

SUBJECT: 2019 COMMUNITY FINALS – ADDITIONAL INFORMATION

Dear Clubs,

FOOD & BEVERAGE DISTRIBUTION

We would like to make it clear to all supporters, attending FV Finals & Playoff fixtures this weekend that the set up and operation of any cooking appliances outside the confines of the designated canteen is prohibited.

Host Clubs operate a canteen in accordance with approved food handling certification and liquor licenses, which require that the sale and distribution of food and beverages occurs within a designated canteen area. Spectators who attempt to sell or distribute hot food and beverages outside of what is offered within the designated canteen will be asked to cease immediately.

This is a common requirement that many Clubs must abide by as a term of their tenancy at a Council allocated venue, therefore we ask all Clubs to reiterate this directive to all travelling supporters this weekend.

Furthermore, it must be acknowledged that Clubs which volunteer to host finals are going to additional effort and expense to assist FV and competing teams with a successful Finals series. To help offset the costs absorbed during the Finals, these Clubs rely on revenue generated at their canteen.

We ask all travelling supporters to keep this in mind and support our host Clubs this weekend.

REFEREE NON-PAYMENT REMINDER

FV reminds all Clubs that they are not required to pay any referees or assistant referees for finals fixtures on the day. Football Victoria will be organising all referee payments and invoicing Clubs accordingly in the following weeks.

Regards,

David Zucchet
Manager, Community Competitions
