Reviewing Your Fixture

If Clubs have experienced any venue availability issues, please ensure to contact the FV Competitions directly via competitions@footballvictoria.com.au.

Night Fixtures/Lighting Certification

Clubs may be permitted to host night fixtures provided pitch lighting meets the requirements outlined in the Football Lighting Policy & Requirements ([click HERE](#)). MSF Clubs are reminded of the following Lighting Certification deadlines in order to gain approval to host night fixtures in 2020 in the instance your Lighting Certification has expired, or is set to expire, prior to the start or during the 2020 season:

- **Friday 13th March** - if the completed Lighting Audit is received by FV Competitions during this period and approved, all requested fixtures except those falling in Rounds 1 and 2 may be moved to nominated evening kick off time without opposition consent.
- **Post Friday 13th March** - if the completed Lighting Audit is received by FV Competitions and approved after this date, clubs will be required to seek opposition consent as per the Rules of Competition to change any Regular Season FV Competition Fixture, unless otherwise approved by FV at its sole and absolute discretion.

All Lighting Audit documents must be sent to Competitions@footballvictoria.com.au.

If you have any questions regarding the above, please contact the Competitions department on 9474 1800 and press '2' for Community Competition when prompted, or via email Competitions@footballvictoria.com.au.
