Who I am

Why I coach

A woman in a black tracksuit stands on a soccer field, pointing towards the field. In the background, several children are visible, some sitting on the grass and others standing. The field is green with white lines, and the stadium seating is visible in the distance.

The challenge

Why don't more women coach?

A female soccer player in a blue and black jersey is on the left, and a young boy in a blue jersey and cap is on the right, both in motion on a grass field. A soccer ball and orange cones are on the ground between them. The background shows a clear blue sky, trees, and a building.

The start of the
solution

How to empower our female players

The future of female coaches

How we will make an impact

The new era

A background image of two female soccer players in blue jerseys with white stripes on the sleeves, sitting on a grassy field and talking. The player on the left is looking towards the player on the right. The player on the right has her back to the camera, showing the number 8 and the name 'Lamonia' on her jersey. The image is semi-transparent with white text overlaid.
