Defibrillators for Sporting Clubs and Facilities Program

[Show all content](#) 

The Defibrillators for Sporting Clubs and Facilities Program provides Victorian sporting clubs with the opportunity to acquire an automatic external defibrillator (also known as an 'AED') for their club or sports facility.

Successful applicants receive an 'Automatic External Defibrillator Package'. The package includes a high quality defibrillator, some basic training and a minimum of three years of essential maintenance. This package will be provided by a qualified contractor engaged by the Department of Health and Human Services.

Community Partnership program

Altona, Laverton and Point Cook **Community Bank®** branches Bendigo Bank, has proudly supported our community through sponsorships, grants and major community projects.

Since opening the Laverton branch in 2000, Altona 2002 and later Point Cook in 2007, over \$3.1 million has been distributed back to the community and 400 organisations assisted. This is only made possible by the customers of our **Community Bank®** branches.

To see our latest list of **Community Bank®** partners. [Announcement.](#)

Growing our customer base allows this unique banking model to thrive and our capacity to sponsor more organisations into the future

In September, we launch our new Community Partnership funding program. This will replace our previous sponsorship and community grant program.

What can grants be won for?

1. Sporting Equipment
2. Uniforms
3. Business plan
4. Child safety
5. Website upgrade
6. Policy and Procedures
7. Training for coaches – FFA / FFV courses
8. Training for administrators
9. First aid training and equipment
10. Community type training – e.g. mental health, alcohol abuse, drugs
11. Shade / marquees – skin cancer prevention
12. Crime prevention
13. Facility improvements / Scoreboards / Whitegoods / Electrical
14. Defibrillator

Objective is important not the item – Community benefit

- Increasing participation, Creating a better club
- Girls, women, all abilities, indigenous, refugees, boys, older men ... Other males

What can grants NOT be won for?

- Money already committed to / spent before being successfully notified
- Money to help the club's bank account / cash flow / operating costs
- Salaries

Objective is important not the item – Community benefit

“We want to win a premiership”

“We need lots of money”

“We want be a big club”

“We used to be a big club and we want to be big again”

We would like a grant for a marquee to help protect our volunteers from the sun during girls preseason training and fund raising activities for a new girls teams

vs.

We would like a grant for a marquee to protect our money gate keeper from the rain to collect money to pay for better senior players to win a premiership so our community benefits. Our rivals are spending a lot of money on players this year

1. Lots of grants available

2. Clubs win them .. tens of thousands \$\$\$

3. But you have to find the right ones and apply to win them

4. FFV going to help you win them

1. Do nothing

OR

2. Apply yourself

OR

3. Outsource the work to us

1. Do nothing

Think about it

Pretty effective way of improving your club

2. Do it yourself

Achieve a high chance of success?

1. Time to find the suitable grants – FFV going to help
2. Time to understand the grant guidelines – FFV going to help
3. Time to write the application
4. Expertise to write them
5. Reapply when unsuccessful

2. Do it yourself

- **Read the guidelines**
- **Answer the questions to the point**
- **Ensure the whole application fits together**
- **If unsure, speak to the grant provider**

3. Outsource to Grant Professionals

No cost to join

1. Inform you about an upcoming suitable grant
You will get to know anyway via FFV
2. If you are interested, let us know, we will
liaise with you to apply on your behalf (including usually getting
quotes, letters of support)
3. No \$ cost if unsuccessful ... and we re-apply
4. If successful, 20% for first \$1,500, 15% above that + GST
5. Up to a limit of \$20,000, negotiable after that
6. A number of items ... no grant fee

Relationship with suppliers

- a. Business plans
- b. Administrator training
- c. Marquees
- d. Some equipment

Why would you outsource?

- Don't have the time to find and apply
- Prefer to spend time on other tasks
- Don't have the expertise / disposition for this
- Avoid wasting time on low chance grants (generally Corporate ones)
- Have not got the data to know why unsuccessful.
Get disillusioned

Are we any good?

- Nearly 1,100 sporting clubs, federations and officiating groups
- Across 23 sports
- Finance, project management, budgeting, business case / tender / grants writing
- Club experience (Committee, Player, Coach, Team Manager, Parent, Referee)
- Success depends more on you than us

Conclusion

Grant funding

1. You can **receive** lots of money ... **not a begging exercise**

2. **Awareness** of suitable grants

- a. You will be informed of **suitable** grants from FFV
- b. You can also be informed of grants directly from us

3. **Applying**

- a. FFV and ourselves to provide advice
- b. You can outsource all this work
- c. Key Action – appoint someone
- d. We are at the stand to chat, pick up business card
