

Returning to Referee

Have you taken a break from refereeing and would like to come back?

Returning to referee is easy. If you have refereed in the last year, simply re-register via [PlayFootball](#).

For those that have not actively refereed for over 2 years, please contact referees@footballvictoria.com.au.

You will then receive further instructions on how to register and be required to complete an updated Laws of the Game modules via Go1.
