TOP GOAL SCORER

Each table depicts the Top 10 Goal Scorers for their relevant league. Where the 10th listed player has tied on their specific count of goals, those players who share the same number have also been visualised.

The Top Goal Scorer has been awarded based on the result details submitted by Match Officials on GameDay.

FV has collated all available information and has followed up with Match Officials and Clubs to ensure the accuracy of these results. In addition, ample time has been provided to allow for Clubs to check, update and confirm results input online.
